Note: Areas are included in this table if they exceed the stated threshold at any point in the time series. The esCount Question Resolution program and geographic program revisions. All geographic boundaries for the 2019 population estimates series are as of January 1, 2019. An "(X)" in the 2010 Census field indicates that changes in population estimates can be found in the Geographic Boundary Change Notes (see <https://www.census.gov/programs-surveys/geography/technical-documentation/boundary-change-notes.html>). For more information, see <https://www.census.gov/programs-surveys/geography/technical-documentation/methodology.html>.
